west from the Zelenogradsk-Kaliningrad rail line. A road extending west from the facility connects with existing roads in a military training area.

The facility is in a five-sided, double-fenced area of approximately 70 acres (Figures 2 and 3). The area contains eight possible buildings

25X1D under construction [REDACTED] served by a secondary road. Another secondary road inside the fenced area forms a semicircle.

25X1B [REDACTED]

25X1B [REDACTED]

A probable administration/support area for the facility, south of the probable borrow pit, is connected by road to the rail spur. This area contains two rectangular buildings, 180 by 55 feet and 135 by 65 feet. A third possible building is located here also.
